5000 JL Tilburg
The Netherlands

GCX Corporation is the worldwide leader in medical instrument and IT mounting solutions. It supplies field-tested, proven components to fit devices from industry-leading OEMs such as Philips, Dräger Medical and General Electric, plus small-to-medium companies worldwide.

More information about GCX is available in English and German at www.gcx.com.

###

About GCX Corporation

GCX Corporation has been serving the healthcare industry since 1971, providing medical instrument and IT mounting solutions. Products are developed exclusively for the health care field and are marketed directly to hospitals. GCX also has custom product development relationships with Original Equipment Manufacturers. Major product lines include wall mounts, roll stands, ceiling mounts, counter top mounts, pole mounts, and more, along with a variety of mounting accessories. GCX mounting solutions feature space-saving, ergonomic designs to improve both equipment and patient access.
